serie 2/3/4

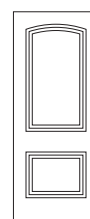

Serie de puertas con un dibujo sencillo, sin estridencias, con un cierto toque de distinción expresado en los distintos arcos que culminan cada una ellas.

A series of doors with plain grain veneers and without any fussy extras but still with many distinctive touches.

5/6/9

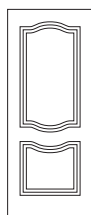

Puertas que subrayan su verticalidad gracias al adorno lineal que las recorre creando un espacio que podemos llenar de luz a través de la vidriera o mantenerlo con una sobria claridad.

*Doors giving a perception of height, greater than actual, consequent on the linear vertical decoration.
Doors to give an illusion of greater space and light.*

serie 130

El panel ovalado de esta puerta introduce una serena belleza creando espacios únicos e individuales que no desentonan en un contexto contemporáneo.

The oval panel gives a more sumptuous and opulent feel to any space but still able to blend well with contemporary decor.
